<sup>1</sup> When upgrading to a higher tier you will be charged immediately upon switching tiers, instead of monthly.  
<sup>2</sup> Interest on uninvested cah is paid by ABN AMRO Clearing Bank  
<sup>3</sup> We deduct operational costs and 3rd party lending agent fees from the gross return paid by borrowers. This net annualised return is then shared with you. On BUX Prime you get 70% and on BUX Basic or Plus you get 50% of the net annualised return. As of 21 July this implies that Prime clients receive 45.5% and BUX Basic and BUX Plus clients receive 32.5% of the gross rate paid by borrowers. Please note that these aggregated costs will fluctuate based on actual operational costs incurred by BUX and arrangements with lending agents. For more information on how much you can earn and the risks, visit our dedicated [webpage](#).  
<sup>4</sup> Fractional buy and sell orders can only be made via market orders. Relevant market order pricing will apply.  
<sup>5</sup> For a further description and the the specific risks of the BUX Zero Order, please see our [product information sheet](#).
